

I. General information

Thematic provisions	The RDP does not specify a list of possible cooperation themes. LEADER cooperation must be integrated into the Local Development Strategy.
Territorial provisions	Cooperation partners must be located in rural and non-rural areas of the European Union or in rural areas outside the territory of the EU
Potential partners	Local Action Groups Other organized territories of a Member State (rural or not) Other organized territories of a third country (rural only) <i>An organized territory means : group of public / private partners implementing a LDS or its equivalent.</i>
Guidance in other languages / national language	Unavailable French
Eligible beneficiaries for cooperation projects	Local Action Groups Other local actors (private and public)
Coordinating/lead partner provisions	Designing a lead partner is highly recommended.
Simplified costs	Indirect expenditure is eligible up to a limit of 15% of staff costs only. Some travel expenses are calculated using simplified cost options.
Calls	The Managing Authority does not publish any calls for projects. Cooperation is integrated into the Local Development Strategy and projects are submitted over time to the LAGs.
Project selection	The LAGs select preparatory actions and cooperation projects.
Budget allocation for cooperation to LAGs	2,500,000 euros of EAFRD are allocated to LEADER cooperation in the financial model of the RDP.
Other provisions	-
